A MESSAGE FROM THE HEAD OF SCHOOL

At TCS, our teachers and staff strive for excellence in all aspects of their responsibilities. Foundationally, it is in obedience to Jesus Christ to have such an aim. Paul says in 1 Corinthians 10:31, “Whether you eat or drink, or whatever you do, do all to the glory of God” (ESV). As we strive for excellence, we also challenge our students toward excellence.

Being prepared and on time for class are vital parts of your student’s success here at TCS. Research shows a correlation between a student’s attendance and their academic success. Being on time and prepared makes a big difference in the academic success of your child. Be encouraged to know that ensuring your student is on time and prepared for class significantly increases their likelihood of academic success. Let’s all continue to strive for excellence!

With gratitude,
Pastor Marcus

MEET THE STAFF

Cristi Coats- Music Coordinator & Assistant to the Dean's Office

My husband and I moved to Texarkana almost three years ago to serve in the Student Ministry at Trinity Baptist Church; Andy was called to be the senior pastor in June of 2020. In February of 2019, God provided me the opportunity to work in the student services office at TCS.

What I love most about my job is to daily meet the needs of students, teachers, and parents and to be a source of peace and resolve for my TCS family. This year, my responsibilities have shifted to Music Coordinator and Assistant to the Dean's office. It has been a joy teaching our elementary students, developing the junior high and high school chapel teams, and serving Brenda Leeper and Amy Klar. I absolutely love my Trinity family, both church and school, and I look forward to being a part of its continued development.
