**** For all students grade 6 and above:**

TI84 Plus Calculator (may use TI83 or older TI84 if already purchased)

We realize this is quite an expense but please consider it an investment. By purchasing these calculators early (7th grade) we can begin teaching students how to use them properly. They will be familiar with them when it's time to use them in higher level math classes and standardized testing. It will be used 6 years and beyond.
