

Referral Program

Trinity Christian's administration, teachers, students, and board members value your participation in making our school better each year. We are aware of and appreciate the time and effort you spend promoting our school to others. We would like to recognize your efforts in a way that may be meaningful to you; therefore, a TCS referral program has been created for the upcoming school year for currently enrolled TCS families.

The continuing success of a school relies on enrollment, and most of our enrollment comes from current families who have encouraged a friend, colleague, or relative to consider TCS as an option for their child(ren). As you know, once they discover the mission and vision of TCS and all it has to offer, many of these families come to love our school and subsequently enroll their child(ren). You play an important role in that process.

When a new family, which you have referred to TCS, seeks enrollment and completes the following requirements, your family will receive a referral incentive:

- a) The newly referred family must complete the enrollment process with you listed as their referral.
- b) The newly referred family must be accepted for enrollment to TCS.
- c) The child(ren) of the newly referred family must begin school with TCS.
- d) The TCS referring family will receive a \$100.00 visa gift card on the first day of the new student's attendance at TCS.

Please contact our financial coordinator Carmen Satterfield with questions or further explanation!
