TRINITY CHRISTIAN SCHOOL

Warrior Weekly

A MESSAGE FROM THE HEAD OF SCHOOL

This is the time of year field trips, spring sports, athletic and academic banquets, award ceremonies, spring concerts, and graduations will keep our campus bustling with activity. It is a great time to celebrate our partnership with families and the incredible achievements of our students. Trinity Christian School is a very special place because of you!

Our ability to teach and lead our students from a biblical perspective makes us both unique and kingdom focused. We look forward to seeing you in the days and weeks ahead at one or more of our celebrations and events!

With gratitude,

Pastor Marcus

STUDENT SPOTLIGHT

Mrs. Mudford's Physical Science class is currently learning about simple machines. Students built their very own Goldberg machines to demonstrate learned principles.

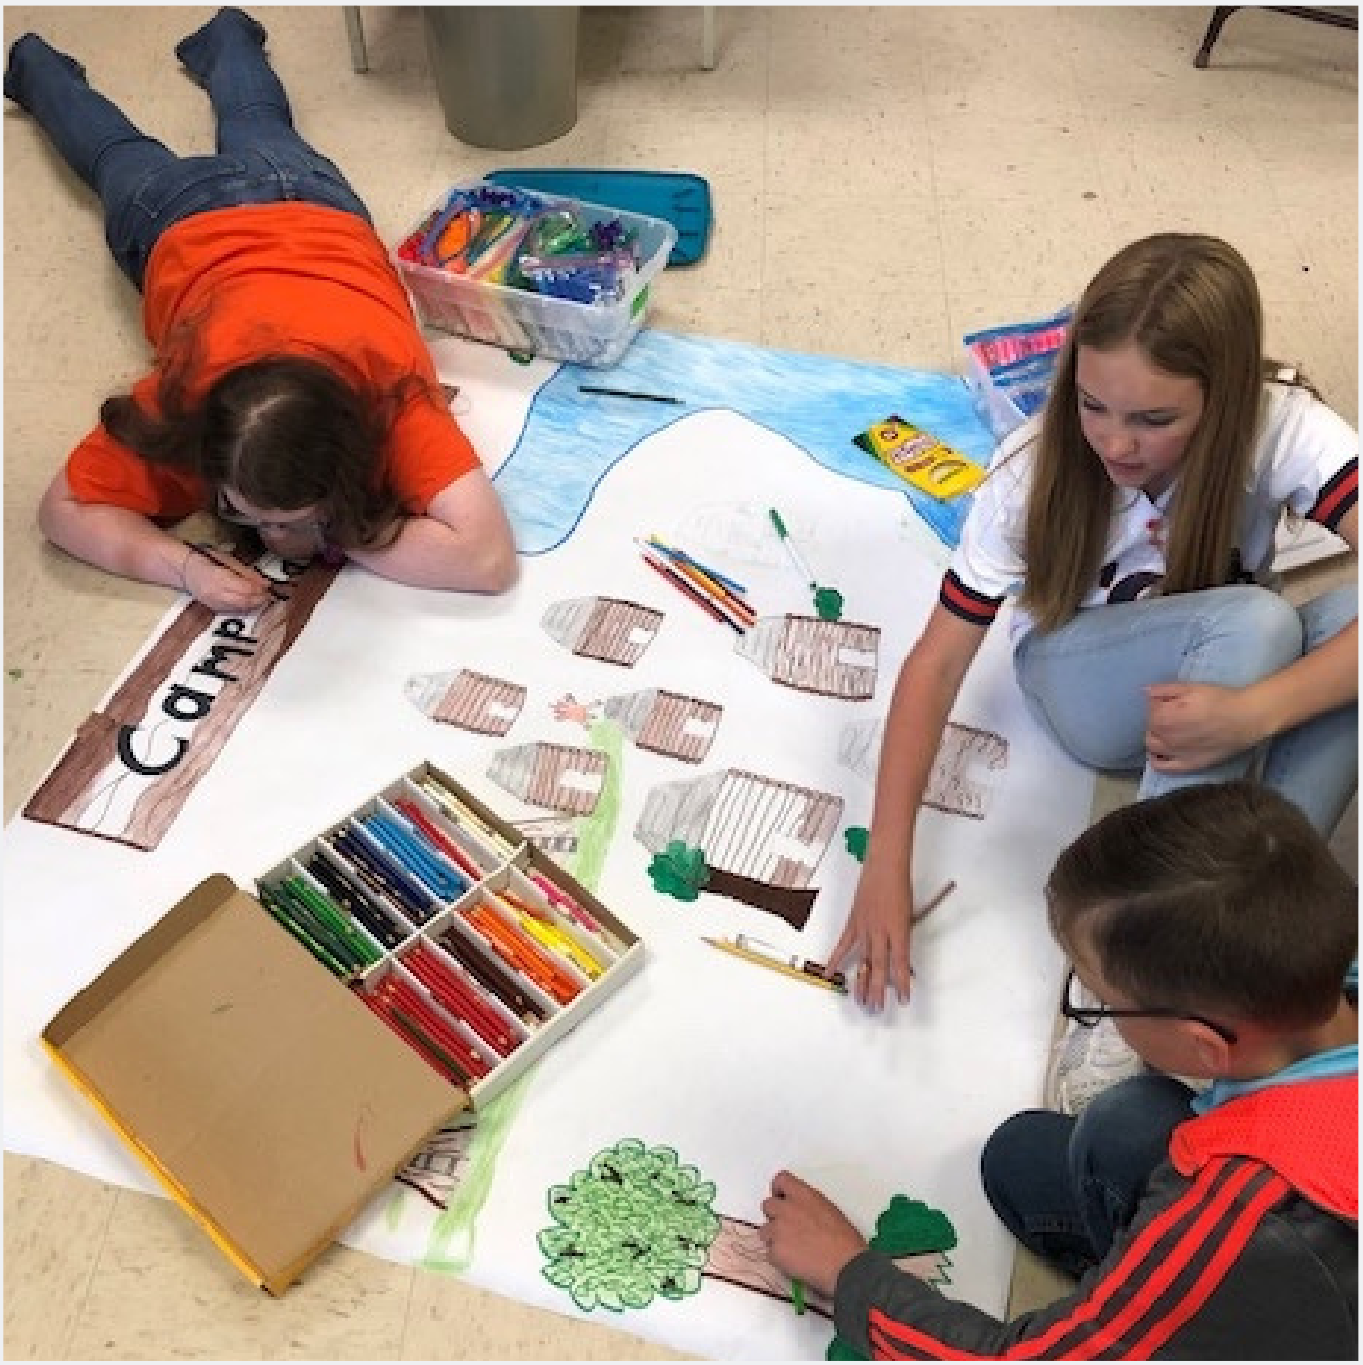
Rube Goldberg was a cartoonist and inventor who built inventions, also known as Rube Goldberg machines, to solve a simple task in the most overcomplicated, inefficient, and hilarious way possible.

Make sure to follow our **Facebook page** for more pictures from TCS!!

STUDENT SPOTLIGHT

6th grade students are working on their ELA book projects this week!!

At Trinity, we implement project-based learning into all classes to help students demonstrate and develop knowledge and skills.



STUDENT SPOTLIGHT

Mrs. Sumner's Pre-K 4 class took a field trip to the Four States Fair this week. Students enjoyed watching the Kids Rodeo, interacting with the Agri learning stations, seeing the barnyard animals, and eating lunch!
