

Warrior Weekly

A MESSAGE FROM THE HEAD OF SCHOOL

The 2023-2024 school year is in session at Trinity Christian School! We have an incredible team of educational leaders and educators ready to see your children reach new heights over the next year. Character development, rigorous instruction, and communication are three pillars we will build upon this year. Over the next few weeks, we will introduce you to the TCS administration team.

This week, I will share a little more information about myself. I joined the TCS staff as the Head of School in May 2021. I have had the privilege to serve in executive leadership positions in the non-profit and local church arena for the last 25 years. In the education realm, I served as the Head of School at Fellowship Christian Academy for ten years, which is a ministry of Oak Cliff Bible Fellowship, where Dr. Tony Evans is the senior pastor. My sweet wife, Patricia, is an engineer by trade and has volunteered to tutor math students at TCS this year. We have two children at TCS...Teela (11th) and Clyde (6th). Our oldest daughter, Faith, will be returning as a sophomore at SMU in Dallas. It is an honor to serve here at TCS!

With gratitude,
Pastor Marcus

it's a great day
to be a warrior!

NEW

BOOK FAIR AND GRANDPARENT'S DAY!

I:55 BOOK FAIRS

Where Faith Matters

TCS is proud to partner with I:55 for its annual book fair this year! I:55 is a faith-based company that uses the Bible as its lens for all the products it sells. This means that not only does I:55 supply the wholesome titles (and novelties!) our students know and love, they also provide Christ-centered offerings our students may not have seen before. We are excited to bring I:55 to TCS!

Details [HERE](#)

Without our parent volunteers, our athletic program would not be a success.

We will have many opportunities throughout the school year for you to give of your time. If you are willing to volunteer at our concession stand, gate, or other athletic events, please provide your contact information along with your volunteer preference [HERE](#).

Thank you!
