

Warrior Weekly

A MESSAGE FROM THE HEAD OF SCHOOL

The administrative leadership team and I love watching our incredible students at TCS grow holistically. Part of our intentional discipleship strategy is to develop student leaders through service to Christ and their fellow students. For our 6-12 students, we are currently assimilating students to assist with leadership roles in chapel and serving on our student leadership team. These are tangible ways our

students learn about spiritual leadership at a deeper level. In all the above servant leadership roles, our students are sacrificing their time to be a part of something bigger. This is foundational in developing servant-leaders to make an impact today. We are immensely proud of our students and continue to commit ourselves to fulfilling our mission *to assist Christian families in equipping students to develop their individual gifts, spiritually, mentally, physically, and socially, and to do so in a manner that brings honor and glory to God.*

With gratitude,
Pastor Marcus

it's a great day
to be a warrior!

COUNSELOR'S CORNER

ACT testing will be here before we know it! On Tuesday, October 17th, our students will be able to take the District ACT test. Did you know that there are many benefits to your child taking the ACT? These are the top 10 advantages of taking the ACT:

1. All US colleges and universities accept the ACT as their college entrance exam.
2. It is the most popular college entrance exam in the country.
3. It helps colleges and scholarships find students.
4. It predicts college readiness.
5. Students can test as many times as they want. There is district testing and state testing available.
6. Scores are superscored, meaning that students' top scores are calculated, giving them a superscore.
7. Instead of taking the entire test every time, through state testing, students can retake only the sections where they need to improve their score.
8. Score reports are detailed and easy to understand.
9. Students can pick up to four schools to send their scores to for each test.
10. It is more than just a test. There are career planning sections available to the students.

If your high school child is not signed up to take the ACT on October 17th, consider having them take it when we offer it again in the spring! As always, feel free to contact me with any questions.

In Christ,

Deanna Mudford

One of TCS' major focuses this year is heightened security. Because of this initiative, junior high and high school athletes are now allowed to bring locks for their assigned lockers in the locker room located in the gym. In order to do so, the locker room policy form [HERE](#) must be electronically signed and returned to Mrs. Klar at aklar@trinitywarriors.org before placing a lock on an athlete locker.
