

# Warrior Weekly

## A MESSAGE FROM THE HEAD OF SCHOOL

As we culminate our first nine weeks of school, we hope that our students are finding a rhythm with their teachers, homework, and extracurricular activities. Rhythm can be defined as “a regularly recurring sequence of events, actions, or processes.” We strive for students and parents to clearly understand the expectations of each teacher and seek to offer opportunities for each child to thrive holistically.

As you know, TCS has designed “check-ups” along the way to help parents understand what is expected of their children. Kindergarten through fifth grade send home weekly packets with the expectations for that week enclosed. Teachers utilize RenWeb and Google Classroom for sixth through twelfth grade to communicate weekly assignments and student progress. We will have another “check-up” opportunity on Thursday, October 19th for parent/teacher conferences. Please take advantage of this strategic time to communicate with your child’s teachers.

Last, our TCS Board and Administration want to do a “check-up” by hearing from you. We believe a vital part of our communication strategy includes hearing from our constituents. Your feedback will also assist us in our self-study for the reaccreditation process with ANSAA. Would you be willing to take a few minutes to share your insight with us? Your feedback will help us achieve greater success as we continue to chart a path for an even better future at TCS. I have enclosed the link to the survey [HERE](#).

With gratitude,  
*Pastor Marcus*
