## A MESSAGE FROM THE HEAD OF SCHOOL

This year, TCS is conducting a self-study in preparation for our re-accreditation with Arkansas Nonpublic School Accrediting Association (ANSAA). This accreditation process involves an evaluation of the school's progress in adopting "best" educational practices in 7 key areas: Mission and Philosophy; Governance, Leadership, and Administration; Teaching and Learning; Communication and Community

Relationships; Resources and Support; School Environment and Facilities; and Strategic Plan for School Improvement.

We will be asking many parents to serve on committees to assist us in the self-study process. One way every parent can assist us with our re-accreditation is providing your feedback via the school survey. If you have not already, would you be willing to take a few minutes to share your insight with us? Your feedback will help us achieve greater success as we continue to chart a path for an even better future for TCS. I have enclosed the link to the survey [HERE](#).

With gratitude,  
*Pastor Marcus*

## COUNSELOR'S CORNER

TCS will administer the PSAT/NMSQT test to our 10th and 11th grade students on Thursday, October 26 beginning at 8:00 am. The PSAT/NMSQT test is a great way for students to enter into the National Merit Scholarship Program. It is also a great opportunity to practice standardized testing. It is going to be administered digitally this year, with content areas in Reading, Writing, and Math. The test takes approximately three hours to administer including breaks. Students will be allowed to check out at the conclusion of the test. Please make sure your child gets adequate rest the night before the test and that they bring a calculator, their school-issued Chromebook and charger, a snack, and water on test day.

In Christ,  
*Deanna Mudford*
