A MESSAGE FROM THE HEAD OF SCHOOL

This school year Trinity Christian School celebrates its 31st anniversary of providing Christian education to students. Opening in the fall of 1992 with sixty-seven students and five teachers, the school offered first, second, third, and fourth grades. The plan was to add a grade each year, but the demand for Christian education was so high that the school expanded much more quickly than anticipated. By 1999, Trinity Christian School offered classes for kindergarten through twelfth grade students, and in the fall of 2000 the school and church moved to spacious new facilities. By 2004, a fully accredited preschool program had been incorporated, and that year also saw a new two-story classroom wing with a media center, computer lab, state of the art science lab, as well as a beautiful new gymnasium.

We thank God for His faithfulness to provide incredible families, staff, and Christian education for over 31 years!

With gratitude,
Pastor Marcus
