A MESSAGE FROM THE HEAD OF SCHOOL

In the midst of enjoying an incredible 2023-2024 school year and homecoming week, we are already planning for 2024-2025. Hence, the month of February is early enrollment for the 2024- 2025 school year exclusively for current TCS families. This guarantees your student's spot! We are excited for the next school year for many reasons:

- Our incredible and gifted teachers and staff at TCS
- Evaluation and re-accreditation of TCS by ANSAA
- Further development of our student leadership program
- Implementation of our volunteer service program for all TCS students
- Continued enhancement of our instructional strategies

I highly encourage you to take advantage of early enrollment. We are looking forward to finishing this school year strong and planning for a great 2024-2025!

With gratitude,
Pastor Marcus

Our partnership with University of Arkansas Hope-Texarkana provides many benefits to our Warriors. UAHT recently shared that they will be hosting a Digital Discovery Day which provides an opportunity for junior high and high school students to explore cybersecurity, virtual reality and programming through their in-depth sessions. We wanted to pass along contact and registration information for this outreach event.
