A MESSAGE FROM THE HEAD OF SCHOOL

The month of February is early enrollment for the 2024-2025 school year exclusively designed for current TCS families. To continue facilitating an environment of spiritual, academic, and athletic excellence, the TCS Board and Administration have decided to make a modest 5% increase in tuition. This amounts to an average increase of \$30/monthly per child. As you know, expenses (curriculum, utilities, etc.) continue to increase in price. This increase also facilitates our ability to continue to give our incredible staff a well-deserved cost of living raise of 2-3%.

We are excited about the LEARNS Act which was recently passed by Governor Sanders in Arkansas. The new voucher program creates Education Freedom Accounts that give students 90% of what public schools get per student in state funding. The Education Freedom Accounts will be phased in over 3 years beginning with the 2023-2024 school year as follows:

- 2023-2024: Students in F-rated schools, kindergarten students, students in the foster care program, students with a disability, or students who have an active-duty military parent.
- 2024-2025: Students in D-rated schools, students who have a parent that is a military veteran, or students of first responders.
- 2025-2026: All students eligible for an Arkansas public school will be eligible for a voucher to attend a private school.

I highly encourage you to take advantage of early enrollment. We are looking forward to finishing this school year strong and planning for a great 2024-2025!

With gratitude,
Pastor Marcus

A message from the SCHOOL NURSE

We are seeing illness with many of our students. Please take the time to wash jackets, backpacks, and lunch boxes this weekend. In addition, please make sure that your child is healthy before you bring them to school. Students with a temperature of 100.4 or greater should not attend school. Any students that have been exposed to a contagious illness, such as the flu, and begin to show symptoms should also not come to school. Thank you for helping us keep everyone safe and healthy!

Nurse Jessica, RN
