A MESSAGE FROM THE HEAD OF SCHOOL

The Administration team at TCS has been planning for the solar eclipse that our region will experience on Monday, April 8th . Originally, we envisioned a day of academic activities celebrating, learning, and viewing this rare natural phenomenon. After consulting with city officials and the department of education, we became aware of the tens of thousands of people that will be visiting the Texarkana area.

This event coupled with the Four States Fair special events on the same day will drastically impact various aspects of our city, including areas surrounding TCS. Based on several recommendations, we have decided to make Monday, April 8th a virtual day for K-12th students, and the preschool will be closed. In lieu of this change, we will have a normal day of on-campus learning on Friday, April 19th instead of a virtual day.

Last, we are very encouraged by the many families that have re-enrolled for next year and the 40 new families that visited our campus this week during our open house events. It is an honor and blessing to be a part of the TCS Warrior family!

With gratitude,
Pastor Marcus

Due to the challenges with securing a location for practices and other logistical issues, we have decided not to pursue assembling a track team for this school year. It is our goal to have a track team for the 2025 season!
