A MESSAGE FROM THE HEAD OF SCHOOL

God has worked in so many incredible ways in and through the lives of our students this school year. As one example, the TCS student leadership team is in the midst of planning a field day for the Watersprings ranch students. There are so many more examples of why we are excited about celebrating our students' progress and success in the weeks ahead. Please note the 'save the date' sections of the newsletter for special upcoming programs.

On another note, last week we communicated our updated policy requiring families to provide a pastor recommendation each year they attend TCS. Our current communication gives anyone who is not actively a part of a local church four months to pursue a church family. Families committed to spiritual growth in the context of the local church strengthens their partnership with TCS "to assist Christian families in equipping students to develop their individual gifts spiritually, academically, physically, and socially in a manner that brings honor and glory to God."

It has been so encouraging to see some of our families who are looking for a church home recently attend Trinity Baptist Church. If you are looking for a church home, we would love to see you this Sunday at 9am!

With gratitude,
Pastor Marcus

Classroom Spotlight!

Mrs. Anderson's Algebra I class has been studying quadratic functions. They are seen here manipulating pipe cleaners on a graph to show the different types of dilations. They combined hands on and technology methods to learn what each dilation looks like!
