

Warrior Weekly

A MESSAGE FROM THE HEAD OF SCHOOL

As we finish the 2023-2024 school year, we are preparing with great expectations for the 2024-2025 school year. We are excited about our returning staff and a few new staff that have already been added for the 2024-2025 school year. We will introduce several new staff to you before summer break.

As we are recruiting new staff, I wanted to inform you of a few staff changes for the upcoming school year. Mrs. Carol Mudford will be retiring at the end of this school year. She has served Christ and TCS faithfully and made science fun for our kids! We currently have an internal solution that will assume her teaching responsibilities.

Mrs. Deanna Mudford has accepted a new position with another educational institution. She has offered immense encouragement, ministry, and academic counsel to so many of our families. God has used her in incredible ways at TCS. We will begin advertising for a school counselor this week.

We will be interviewing a candidate for Athletic Director next week. As a reminder, we are still praying for the following open positions to be filled; 1st grade and 6-12 English. Thanks for joining us in celebrating Mrs. Carol Mudford and Mrs. Deanna Mudford and praying for God to bring us His person (s) to fill the open roles.

Last, words cannot fully express our gratitude for Mrs. Cara Johnston and Dr. Madeline Smith who stepped into interim teaching roles with us this year! Mrs. Johnston will continue on staff in a different role next year. Dr. Smith will transition back to her incredible parent support role. Please help me thank both for their faithful service!

With gratitude,
Pastor Marcus

Classroom Spotlight!

Mrs. Anderson's 8th grade programming class has been working with circuit boards. They participated in a large project consisting of using their circuit boards for human interaction. They have primarily learned how to make the circuit board change colors, and interact with an app. They are a very creative class, and came up with some great ideas such as: interactive scoreboards, cooking timers, baby mood monitors, disco lights, and more!

Mission Statement
 The mission of the school is to assist Christian families in equipping students to develop their individual gifts spiritually, academically, physically, and socially in a manner that brings honor and glory to God.
