Dear Pastor or Church Leader,

Kingdom Education, the philosophy at Trinity Christian School, focuses on bringing the home, church and school into a partnership for the purpose of training the next generation. Kingdom Education is defined as the life-long, Bible-based, Christ-centered process of leading a child into a new identity with Christ, developing a child according to his/her specific abilities given to him by Christ, so that a child is empowered to live a life characterized by love, trust, and obedience to Christ. We are committed to employing individuals that are committed disciples of Jesus Christ. This information will assist Trinity Christian School regarding future employment of candidates and staff.

We appreciate your completion of this form as well as your ministry in the community.
